Corn lacks in protein determine what crops or branches of farming are producing the greatest essential if strong pigs are to be proprofits, it is necessary for the farmer duced. Oats will supplement corn to keep a system of accounts, say fairly well, and a ration of two-thirds specialists of the United States Decorn and one-third oats is reasonably tice will not of itself turn a poor farm into a rich one, a poor farmer into a good one, or losses into profits, but proportion of one part to nine or ten farm records, if accurately kept and intelligently utilized, are an aid to a better understanding and insight into the farming business. The keeping of accounts need not take a great amount of time nor is it necessary to have an elaborate system.

Two Kinds Advisable. Farm records may be roughly divided into two heads-records of happenings and records of money transactions. The former proves useful when memory fails. Among the happenings that should be recorded are the dates when animals are bred, men hired or discharged, accidents occur pasture season begins and ends, first and last frosts occur, incubators are

to, are of much value. The most important use many farmers make of the records of cash re- excellent ceived and paid out is as a means of tion, and will reduce the cost of the checking up bills when sent in to see winter's feed if used. whether all payments have been duly "Amounts of feed to be given can credited. PITTSBURGH, PA.-Hogs-Heavies,

The United States Government by means of the Depart.

The Bates thoroughbred quality comes not from men claims, but from what's put into it. Every part that goes in make up the BATES STEEL Mule is put there by long fell experience. There isn't a part that isn't time-tried and testel There isn't a part that experience hasn't dictated the share and size of; and in it, all there isn't one superfluous part, more part that isn't capable of standing up under twice the strain it gets in actual use. These are things experience and practice have distracted. The BATES comes to you as a fulfillment of your desire for a tractor that will endure. Price is what we pay for a thing. Value is what we get out of it, consider sider your tractor from what you will get out of it, consider sider your tractor from what you will get out of it, consider the standard in two of the territories was in extension of the territories was in extension of the order issued last week putting a ban on removals by New York, Pennsylvania, Maryland, Massachusetts, Connecticut, Rhode Island and New Jersey. sent out by Commissioner Kram

Washington .- President Wilson, acting on the recently communicated request of President-elect Harding, issued a proclamation calling a special session of the

Senate to convene March 4. Request that the special session be called was made by Senator Underwood, of Alabama, minority leader, who received the request of the President-elect through Senator Lodge, of Massachusetts, the majority leader. The session will act on Cabinet and other ap pointments by Mr. Harding and

probably will last only a short The proclamation follows: "I Woodrow Wilson President of the United States of America. and bonded warehouses in every State in the Union, Hawaii and Porto Rico were ordered indefinitely closed against liquor withdrawals by Prohibition Commissioner Kramer. At the same time wholesale liquor dealers were ruled out of further participation in the sale of intoxicating bever ages by Attorney General Palmer.

Commissioner Kramer's drastic order stonping the flow of liquor from who shall at that time be entitled

storage and the Attorney General's interpretation of the Volstead Act, prohibition officials said, mean the elimination of the wholesale liquor dealers and makes possible the prevention of "bootlegging" through forged permits and illegal disposal of intoxi-

drawals of industrial alcohol or reasonable quantities of sacramental wine, and makes exception in the case of retail druggists, who are permitted TO HASTEN TREATY
